Storage Terms and Conditions

This Seasonal boat/camper storage agreement with Riverside 4 Marina is not a bailment. The Owner/Authorized (OWNER) acknowledges having read and understood the Storage Terms and Conditions and the Marina Rules and Regulations.

1. Payments & Termination: Storage is seasonal. Full payment is due at season's start with no refunds for early termination. Deposits and dock fees are non-refundable. Rates may change seasonally. Riverside 4 Marina may terminate the agreement for non-compliance of terms and Marina Rules without refund and must be notified when boats are removed.
2. Utilities: Initial contract includes non-refundable minimum charges for water and electricity, with additional fees for usage beyond estimates. Owners may only draw from designated boxes.
3. For Sale Signs: Notify Riverside 4 Marina before posting. Seller is responsible for fees at the time of sale.
4. Late Payments: Unpaid accounts over 90 days incur a 1.5% monthly service charge (18% annually).
5. Extension: The contract remains valid while the boat/camper is on marina property, even beyond listed dates, until a new agreement is signed.
6. Hold Over: Post-season storage incurs a \$10 daily fee.
7. Non-Transferable: Contract cannot be transferred or assigned by the owner.
8. Hold Harmless: Owners must insure their boat/camper and indemnify Riverside 4 Marina against claims, acknowledging the marina carries no insurance on their property. Owners are liable for damages caused by their boat/camper or guests.
9. No Warranty: No guarantees on the condition of marina facilities. Owners have access to their property for work, with outside contractors requiring insurance proof and written permission for major repairs.
10. LIEN AGREEMENT: The Owner grants Riverside 4 Marina a general lien on the boat/camper and any other Owner's property at the marina for outstanding charges including storage, winterizing, labor, and others related to the boat's upkeep or legal actions related to the lien or foreclosure. If the Owner fails to pay all due amounts and doesn't remove the boat following a written notice, Riverside 4 Marina has the right to sell the boat/camper through a non-court process to cover the unpaid dues and can take any necessary actions to clear the property, including its disposal. The Owner must also cover Riverside 4 Marina's legal expenses for enforcing this clause.
